| Operating cash flow | -3,771.00 | 157,284.00 | 161,055.00 | Increased |

## Interpretation and limitations

This tearsheet summarizes the available project dataset and configured rule-based indicators. Confidence scores are rule scores, not probabilities. A missing finding does not by itself establish that a company has no risks. Financial values and reporting years may differ across companies. This report is analytical information, not investment advice.
