Net profit margin	-1.22	-0.58	0.64	Increased
Operating cash flow	2,064.00	12,703.00	10,639.00	Increased

Interpretation and limitations

This tearsheet summarizes the available project dataset and configured rule-based indicators. Confidence scores are rule scores, not probabilities. A missing finding does not by itself establish that a company has no risks. Financial values and reporting years may differ across companies. This report is analytical information, not investment advice.
