Net profit margin	41.27	40.17	-1.10	Decreased
Operating cash flow	4,590.00	4,705.00	115.00	Increased

Interpretation and limitations

This tearsheet summarizes the available project dataset and configured rule-based indicators. Confidence scores are rule scores, not probabilities. A missing finding does not by itself establish that a company has no risks. Financial values and reporting years may differ across companies. This report is analytical information, not investment advice.
